Application for Job Opening

This letter is to apply for a job opening.

With the skills I have required throughout my years, I am confident that I will be an important addition to your current workplace. My capabilities meet your requirements for the position, and I would be delighted to get more experience from your company.

I have attached this cover letter, my resume and other required documents. With that being said, if the position is available for me or you would like to get to know me better. Please contact me at wm.najmi.k@gmail.com or +6017 981 3005.

I do hope that my application will get validated and reviewed from your side, your cooperation is much appreciated as well as your efforts in selecting potential employees. Thank you for giving me this opportunity.

Best Regards,

Najmi Khairuzzaman,
